# Rules/Frequently Asked Questions

Q1: When is the trip?

A: April 10th - 14th, 2019

Q2: How must we behave on this trip?

A: All rules established for Mount Dora High School must be followed at all times. The Student Code of Conduct applies at all times. Any student found with or having used alcohol, drugs, or tobacco products will have their parents called to arrange sending the student home *at their own expense*. Mount Dora High School dress code is to be followed at all times!

Q3: How should I pack?

A: Make sure you have t-shirts, nice jeans, and nice black pants for performances. Select comfortable clothes. Use the suggested packing list. Pack lightly—you are responsible for carrying your own luggage and we only have a small amount of available space. Remember, **dress code is to be followed at all times**. Research the weather in Nashville before you pack.

Q4: How much luggage are we allowed to bring?

A: One suitcase per person, and one personal item (backpack or swag bag).

Q5: Who will keep medication required by the students?

A: If you are a student who is in need of daily medication, you and your doctor already completed the appropriate medication form(s). You must bring the medication to school and turn it into the district nurse Monday April 8th or 9th. For prescription medications, please send it in the original prescription bottle, but only send the number of pills needed for the trip. For non-prescription medications, you must bring a brand new, sealed bottle of the exact medication you wrote on your blue form. PLEASE BRING THE SMALLEST BOTTLE YOU CAN FIND, as we must count every pill remaining in the bottle, every time we administer the medication!

On the trip, Mr. Uhrich will carry the medications and administer medications to you as specified on your form. **You may not administer your own medication, even Advil or vitamins**. If your parent or guardian is chaperoning, he/she may carry and administer your medication. **Parents must see Mr. Uhrich when we arrive Sunday morning to check meds back to you.**

Q6: What time will we meet to leave?

A: **You must arrive at school with your luggage at 7:30pm. All luggage must be brought directly to the auditorium. Bus 1 luggage will be taken to the aisle on house left, and Bus 2 luggage will be taken to the aisle on house right. We will begin boarding the bus at 8:00pm.**

Q7: How will we be transported

A: You are responsible for your own ride to and from school. Once on the buses have departed from school, all transportation will be provided. Please be prepared for your

ride HOME on Sunday morning from school. We will call parents when we are close to school.

Q8: Who will be our chaperone?

A: Your daytime chaperone and nighttime chaperones are listed in this handbook. Please make sure these adults know where you are at all times. **There is no swapping between chaperones in day groups.**

Q9: How much money should we bring?

A: Students will need to pay for 5 lunches, and bring money for snacks over the course of 5 days. Also, if you want any souvenirs, plan for that, too. All tips are already included in the cost of your trip, so you don't need any extra money for that. \$50 should cover the cost of meals and snacks, as long as you're not stopping at Starbucks. Then souvenir is you would like.

Q10: Who keeps the money brought by students?

A: The students. The adults will not be responsible for handling or rationing out the students' money to them. Please plan ahead – make an envelope for each day if necessary. Students, you do **not** need to spend every penny you bring with you just to spend it.

Q11: Will we be able to go off on our own?

A: There may be set times that our group can break into smaller groups (these have been defined with Chaperones), however, you must check in on time after we break up! **NO ONE IS EVER ALLOWED TO BE ALONE!**

Q12: **Can we purchase room service, purchase pay TV movies/video games, or make phone calls home from the hotel phones?**

A: **Absolutely not.** This is an additional cost that will hinder our check-out process. Please use a cell phone to call home (or borrow someone else's if you don't have one). Parents, please keep in mind that these students have a very active schedule and may not call every day. Please let them enjoy this experience!

Q13: Are students allowed to leave with relatives or friends?

A: **No.** If outside members are around students of the group that is **not** a public event, they must be Lake County level 2 approved.

Q14: Am I allowed to visit friends in other hotel rooms?

A: **Absolutely not.** **There will be no visitation between rooms. Please find space in public places WITH OTHER PEOPLE. You're not allowed to simply explore the hotel on your own.** Violation of this will have you sent home at your own expense immediately.

Q15: Can I bring my laptop or other electronics?

A: Electronics are allowed, but they are the sole responsibility of the student. **You are allowed to bring your school-issued device to study, but it must stay in the hotel each day. Standard school rules apply with the school-issued devices.** If you lose your device or if it is stolen, you are responsible for paying the fine at school. It may be wise to print out your materials rather than take a chance. Please note that wi-fi may not always be accessible!

Q16: Am I allowed to leave my room after lights out?

A: **Absolutely not.** Once your nighttime chaperone has visually checked you in for the night, you are expected to **go to sleep, you are going to need it!...**

You should charge your phones at night instead of checking them all night.

Your chaperone will check in at lights out and will knock on your door approximately 30-45 minutes prior to breakfast each morning.

Q17: Do I have to eat breakfast at the posted time each day?

A: **Yes,** everyone must report to our breakfast room every morning at the time posted in the **itinerary.** You don't have to stuff your face, but please eat something so that you don't pass out from malnutrition.

Q18: What happens if I am late to any report time?

A: The success of the itinerary depends on you being on time when we split up. **"If you are early, you're on time; if you're on time, you're late."** You must watch the time and be on time. This is an important life lesson. Real life does not give you a pass when you're tardy...neither does Mr. Urich.

Q19: Do I get 5 days to make up my school work after we return?

A: **No.** You must talk to your teachers **NOW** and gather your assignments and study materials prior to departure. **All school work must be completed by the time we return to school on Wednesday night.** **\*\*TIP:** Get your work done on DAY 1 of the trip so you can enjoy the trip and not dread doing work on the return home when all you want to do is sleep.

# Chaperone Procedures

1. All chaperones must have volunteer paperwork and fingerprinting turned in prior to the trip and be approved as a level 2 volunteer by Lake County School Board.
2. Parents who assume the responsibilities for chaperoning a group of students on an out-of-town trip should recognize that they are assuming a 24-hour-a-day responsibility from the time they leave until the time they return. At no time may chaperones make personal plans except with the consent of Director. ***The drinking of alcoholic beverages at any time during the trip is just as much out of place as during the regular school hours.*** Please be a good example to our students.
3. No chaperone is to leave the premises of the hotel, the visited area, or the group without consulting Mr. Uhrich.
4. Chaperones are responsible for keeping students' bus roll call, day group role call, and room check.
5. Chaperones should be sure to have all rooms checked before leaving the hotel so that damages, if any, can be determined immediately.
6. Chaperones should never retire at night until all students are checked in for the night and are quiet. Chaperones will visit each room in the morning, 30-45 minutes prior to breakfast, make sure students are awake.
7. Chaperones should keep an accurate check on the members assigned to them at all times. At no time should students be just "turned loose".
8. As a chaperone, you are responsible for making sure that the students in your group conduct themselves in a way that will make us proud. You are not there to project an image of a guard, but to assist to answer any questions that may arise.
9. All chaperones are to attend any extra briefing meetings held by Mr. Uhrich. We will likely meet each morning during breakfast to review the day at hand.
